OFFICE OF PETITIONS

In re Patent of	:	
Seiki, et al.	:	
Patent No. 6,780,412	:	
Issue Date: August 24, 2004	:	Decision on Petition
Application No. 09/743,002	:	
Filing Date: December 12, 2000	:	
Attorney Docket No. 2000-1617	:	

This is a decision on the petition under 37 CFR 1.183, filed September 24, 2004, to waive the rules and accept the correction of the assignee data of the above-identified patent by way of Certificate of Correction. The petition is also being treated as a request under 37 CFR 3.81 to accept the correction of the assignee data.

The petition under 37 CFR 1.183 is **dismissed as moot**.

The request under 37 CFR 3.81 is **dismissed**.

Effective June 25, 2004, 37 CFR 3.81(b) has been revised to no longer require the correction of the assignee data prior to issuance of the patent. Therefore, a petition to waive the rule is unnecessary. 37 CFR 3.81(b) currently states:

Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a)) and the processing fee set forth in § 1.17(i) of this chapter.

In other words, the request under 37 CFR 3.81(b) will be granted when:

- (1) a request under 37 CFR 3.81 and the fee set forth in 37 CFR 1.17(i) are filed,

- (2) the assignment was submitted for recordation prior to issuance of the patent, and
- (3) a request for a certificate of correction and the fee set forth in 37 CFR 1.20(a) are submitted.

Petitioner has not met the requirements set forth above because petitioner has not submitted a completed PTO/SB/44 Certificate of Correction form and petitioner has not paid the \$100.00 certificate of correction fee. Therefore, the request is dismissed.

Please find enclosed a blank PTO/SB/44 Certificate of Correction form.
